

2024 **Elevate Buffet
Collection**
by Smith & Hubble

The Elevate Buffet Collection by **Smith & Hubble** is a premium line of timber buffet risers designed to bring sophistication and versatility to food presentation. Perfectly suited for bakery, breakfast, and a wide range of culinary displays, the collection stands out for its impeccable craftsmanship and robust construction.

What truly sets the Elevate collection apart is its innovative modular design, based on gastronorm sizing, allowing for seamless interlocking and a fully customizable buffet layout—much like a sophisticated culinary “Lego” system.

Each piece, from the elegant three-drawer bread unit in GN 1/1 size to the sleek trays, marble boards, and displays in GN 1/2 and GN 1/3 sizes, is thoughtfully designed for both functionality and aesthetics. The collection also includes a range of matching dispensers, ensuring a cohesive and elevated buffet experience.

Available in two luxurious finishes—**rich walnut** and **coastal beech**—Elevate enhances the ambiance of any five-star hotel, restaurant, or event setting.
